THE PROGRAM

The Scholarship Awards Program is an undertaking of the **ASSOCIATION OF MASTER PAINTERS & DECORATORS OF NEW YORK—INDUSTRY PROMOTION FUND**.

QUALIFICATIONS

To qualify for the competition the applicant must:

- Be the son or daughter whose parent has been a member in good standing with District Council #9 for three continuous years prior to applying for the award and is a member of Local 18, 19, 20, 24, 113, 490, 1456, or 1486, and has earned eligibility working for an employer who has contributed to the Painting Industry Promotion Fund of New York, Inc.
- Be a high school senior who will be graduating during the current academic year and will enter the first year of college in September.

- Be accepted in any accredited FOUR-YEAR university.

HOW WINNERS ARE DETERMINED

The Scholarship Advisory Committee of the Painting Industry Promotion Fund will evaluate applications by the use of, but not limited to, such information as the High School academic record, extracurricular activities, personal interview, and test scores.

TO MAINTAIN THE SCHOLARSHIP AWARD

A Scholarship Award winner who makes satisfactory progress towards his/her degree, meeting the standards set by the college or the Painting Industry Promotion Fund Scholarship Committee, may retain the scholarship throughout the four years

of college attendance or until the requirements for a Bachelor's degree are completed, whichever is earlier. It is mandatory, however, that the student qualify each year by furnishing the Painting Industry Scholarship Committee with the college transcript.

If a recipient's studies are interrupted by illness, accident, change in college enrollment, or some other extenuating circumstance, such information must be reported promptly to the Painting Industry Scholarship Committee. Requests for the recipient's scholarship to be held in abeyance will be considered by the Scholarship Committee.
